

Terms of Service

The cost for renting a setting is 40€/hour and VAT is not included.

Any reservation must be more than 2 hours and with a deposit of 50% of the total amount in order to have the setting and day commitment. (Under certain conditions and in initial consultation with the production / photographer, the estimated cost per hour can exceed 40€).

For a bank deposit it is necessary to indicate the product for which the filming / shooting will take place (eg shooting lacta, nike, Barilla shooting, test shooting)

The time is calculated from the arrival of the crew / photographer in the studio (not from the time the shooting / photography starts) until the time of departure from the studio.

In case the estimated filming / shooting time is exceeded, there will be an extra charge.

For any postponement or cancellation of the specific date the refund will be made when and if the studio has been informed 72 hours beforehand. Within 72 hours the studio does not bear any responsibility, nor is it obliged to return the amount of the deposit.

This price does not include main equipment (lights, cameras, crane, flash, cameras, lenses, gimbal, electricians, assistants, etc.)

If there is a need to rent equipment, the charge is made after consultation. (Any damage or destruction to the equipment rented by the studio, the responsibility and financial burden lies with the production / photographer and not the studio)

After the shooting / filming the production / photographer pays the total amount of the rent and receives the relevant invoice for the provision of services.

The studio reserves the right to rent its sets that are located in different places as long as it does not create a problem in shooting / filming.

In case of general black out in the area (general power outage) the studio has no responsibility.

In order to accept the terms of cooperation, it is necessary that the relevant document has been signed by the production / photographer and sent by email.
